

Curriculum vitae of Salomé LeibundGut-Landmann

Date and Place of Birth: 19th May 1973 in Basel, Switzerland

Children: Alexander (* 9.5.2008) and Marianne (* 2.10.2010).

Nationality: Swiss

Education

2011, 2014	Continued education in "Educational Development and Technology", ETH Zürich
2008	EMBO Laboratory Management Course
2003	PhD from the University of Geneva, Switzerland
1999	Certificate of specialisation in medical biology
1998	Diploma in science (Dipl. Natw. ETH)
1993 - 1998	Studies at the ETH Zürich, Switzerland, Biology section
1993	Matura

Professional Experience

2015 - present	SNF assistant professor at the Vetsuisse Faculty, University of Zürich
2014	Hedi Fritz-Niggli guest professor at the Vetsuisse Faculty, University of Zürich
2010 - 2015	SNF assistant professor at the Institute of Microbiology, ETH Zürich
2008 - 2009	Senior postdoctoral researcher in the laboratory of Prof. Dr. Annette Oxenius at the Institute of Microbiology, ETH Zürich, Switzerland
2004 - 2008	Postdoctoral fellow in the laboratory of Dr. Caetano Reis e Sousa at the London Research Institute Cancer Research UK
2003 - 2004	Postdoctoral fellow in the laboratory of Prof. Walter Reith in the Department of Pathology and Immunology at the University of Geneva, Switzerland
1998 - 2003	PhD student in the laboratory of Prof. Walter Reith and under the direction of Prof. Didier Trono in the Department of Genetics and Microbiology, University of Geneva, Switzerland
1997 - 1998	Practical training in immunology in the laboratory of Prof. Rolf M. Zinkernagel and Prof. Hans Hengartner at the University of Zürich, Switzerland (3 months)
1996 - 1997	Practical training and Diploma thesis in the laboratory of Prof. Timothy J. Richmond at the ETH in Zürich, Switzerland (9 months)
1995	Practical training in immunology in the laboratory of Dr. Cezmi A. Akdis at the SIAF in Davos, Switzerland (5 weeks)
1993 - 1994	Practical training in molecular biology in the laboratory of Dr. Janis Jackson at the Scripps Research Institute in La Jolla, USA (4 months)

Awards

2013	Award by the President of ETH Zürich for outstanding achievements
2009	SNF professorship
2005	EMBO long term fellowship
2004	SNF Fellowship for prospective researcher
2003	poster award at the Workshop "Dendritic Cells: Biology and Therapeutic Applications" at the Instituto Juan March de estudios e investigaciones in Madrid, Spain
2002	poster award at the annual USGEB (Union of the Swiss Societies for Experimental Biology) meeting in Lugano, Switzerland

- Dr. Eva Bär from my group was awarded the Otto-Westphal-Thesis Prize 2014 by the German Society of Immunology and the ETH Medal 2014 for her outstanding PhD Thesis
- Selim Nur from my group was awarded the ETH Medal 2014 for his outstanding MSc Thesis
- Dr. Florian Sparber from my group was awarded an Erwin Schrödinger-Fellowship from the Austrian Science Fund (FWF) in 2013.
- Simon Altmeier and Franziska Schönherr from my group each won a prize for the best oral presentation at scientific meetings in 2015
- André Gladiator from my group won a poster prize at a scientific meeting in 2011.

Commissions and Memberships

- Admission Committee of Life Science Zürich Graduate School, Microbiology and Immunology program
- 'Promotionsrecht' at the Faculty of Science at University of Zürich.
- 'Lehrauftrag' at the Department of Biology, ETH Zürich
- Scientific committee for the Annual Meeting of the Swiss Society of Microbiology (SSM) 2016
- PhD program Microbiology and Immunology of the Life Science Graduate School Zürich
- Hochschulmedizin Zürich, Network Infection and Immunity
- Swiss Society of Allergology and Immunology (SSAI)
- Swiss Society of Microbiology (SSM)
- Life Sciences Switzerland (LS2, formerly USGEB)
- International Society for Human and Animal Mycology (ISHAM)
- Deutsche Mykologische Gesellschaft (DMyKG)
- AcademiaNet - Expert Database of Outstanding Female Scientists and Scholars

Reviewer activities

Regular ad hoc reviewer activity for scientific journals including Immunity, Cell H&M, JCI, JI, EJI, PLoS etc., as well as for national and international funding agencies including SNF, DFG, ANR, MRC and Wellcome Trust.

Invited seminars and conferences (2010 - 2015)

- Research Center for Infectious Diseases (invited by Dr. Christian Perez), Würzburg, DE, 2015
- University of Umea (invited by Prof. Constantin Urban), Umea, SE, 2015
- Novel Concepts in Innate Immunity, Tübingen, DE, 2015. Invited speaker
- Annual Conference of the Swiss Society of Microbiology, Lugano, CH, 2015. Invited speaker
- FEBS course on Human Fungal Pathogens, La Colle-sur-Loup, France, 2015. Invited speaker
- Gordon Research Conference on Fungal Immunity, Galveston, USA, 2015. Invited speaker
- The British Society of Immunology Annual Congress, Brighthon, UK, 2014. Invited speaker
- Graduate Seminar program at the Spanish National Centre for Biotechnology, Madrid, Spain, 2014
- Institute of Microbiology Erlangen (invited by Dr. Ulrike Schleicher), Erlangen, DE, 2014
- 12th ASM Conference on Candida and Candidiasis, New Orleans, USA, 2014. Invited as plenary speaker and session chair.
- Leopoldina Symposium / Deutsche STI Gessellschaft, Berlin, DE, 2014
- EPFL (invited by Prof. N. Harris), Lausanne, CH, 2014
- National Institute of Health (invited by Dr. Michail Lionakis), Bethesda, USA, 2014
- ID Advanced Topics Lecture Series at the Memorial Sloan Kettering Cancer Center (invited as a guest speaker by Prof. Tobias Hohl), New York, USA, 2014.
- Dermatology, University Hospital Zürich (invited by Prof. Lars French), Zürich, CH, 2014
- Zentrum für Zahnmedizin, University Zürich (invited by Thimios Mitsiadis), Zürich, CH, 2014
- 14th Meeting of the Society for Natural Immunity (NK2013), Heidelberg, DE, 2013.
- The 8th International Symposium on Tonsils and Mucosal Barriers of the Upper Airways, Zürich, CH, 2013.
- World Immune Regulation Meeting, Davos, CH, 2013.
- Gordon Research Conference on Fungal Immunity, Galveston, USA, 2013.
- Department of Pathology, University of Bern (invited by Prof. C. Müller), Bern, CH, 2013.
- Department of Biochemistry, University of Lausanne (invited by Prof. F. Tachini-Cottier), CH, 2013.
- Inst. of Med. Microbiology and Hygiene, University of Freiburg (invited by Prof. A. Diefenbach), DE, 2013.
- Max von Pettenkofer Institute (invited by Prof. J. Heesemann), Munich, Germany, 2013
- Centre Hospitalier Universitaire Vaudois (invited by Dr. P.-Y. Bochud), Lausanne, Switzerland, 2013
- 11th ASM Conference on Candida and Candidiasis, San Francisco, USA, 2012.
- Max F. Perutz Laboratories, Medical University of Vienna (invited by Prof. K. Kuchler), AU, 2012.
- Institute of Biomedical Research (invited by Dr. F. Sallusto), Bellinzona, Switzerland, 2012.
- Institute of Immunobiology, Kantonsspital St. Gallen (invited by Dr. B. Ludewig), St. Gallen, CH, 2011.
- Annual congress of The Swiss Society of Allergology and Immunology, St. Gallen, CH, 2010.
